

CONDUCTOR BARREL FOR INSULATION for bimetallic-pointer-thermometer B10

For using in tank and pipeline construction and in heating and cooling technology. Installation if the measuring point (tank, pipe etc.) an insulating layer is attached.

Type	06 20 52	06 20 62	Options
Symbol			
Material	Steel		others on request
Length L1	50 mm	60 mm	others on request
Ø d1	25 mm	25 mm	others on request
Weight	approx. 140 g	approx. 160 g	

Thermometer length L_T	Total insulation length	L_I	Quantity	Protection tube length	
				for screwing in L_{p1}	for welding in L_{p2}
100	60	60	1	45	43
160	60		1	100	80
200	50	50	1	150	140
	100		2	100	80
250	50		1	200	180
	100		2	150	140
	150		3	100	80
300	50		1	250	-
	100		2	200	180
	150		3	150	140
400	100		2	300	-
	150		3	250	-
	200	4	200	180
